Dear Parent/Guardian,

Help your child succeed in school and sign them up for free tutoring! This is a great opportunity to help your child in school without any cost to you. As a result of the federal No Child Left Behind (NCLB) Act, your child can receive Supplemental Educational Services/academic tutoring to help him or her do better in school.

You can choose a tutoring program that best meets your child's needs from the list of approved Supplemental Education Services (SES) providers in your area. The program will provide your child with tutoring that is coordinated with what is being taught in school and may help improve your child's academic skills. Research from the federal government has shown that students who participated in this free tutoring program made significant gains in student achievement, and those students who participated in multiple years did even better.

The list of SES providers/tutoring programs gives you a description of each program, qualifications of tutors, and information about each program's effectiveness. It also indicates the programs that serve students with disabilities or limited English proficiency.

When deciding which SES provider/tutoring program is best for your child, you may want to ask these questions:

- When and where will the tutoring take place (school, home, a community center)?
- How often and for how many hours in total will your child be tutored?
- What programs, by grade levels and subject areas, are available for your child?
- What type of instruction will the tutor use (small group, one-on-one)?
- What are the tutors' qualifications?
- Can the tutor help if your child has a disability or is learning English?
- Is transportation available to and from the location where tutoring will take place?

Please call **Dr. Aaron Butler** at 314-588-9991 ext **137** if you have any questions about SES providers/tutoring programs. You also may join us and talk to the SES providers during our SES Parent Fair on Wednesday, **September 22, 2010** from **4:00pm to 6:00pm**. If you would like to select a provider now, you can fill out the enclosed provider Selection Form and return it to Dr. Butler. Please indicate your first, second, and third choice of providers.

Provider Selection Forms are due in the school office by **Wednesday, September 29, 2010**. After you submit your form, you will receive a letter from Construction Careers Center by **Wednesday, October 6, 2010** telling you when the SES/free tutoring will start.

We hope to see you at the SES Parent Fair on Wednesday, September 22<sup>nd</sup> between 4 and 6 pm.

Sincerely,

Veronica "Gina" Washington
